## PROFESSIONAL SUMMARY

As a front-end developer, I am motivated to devise enduring web solutions for various challenges. I design user experiences that appeal to technical audiences, with a focus on optimizing accessibility and performance of software interfaces on the web. I ensure that website resources are utilized efficiently and avoid wastage. Currently, I am seeking opportunities to enhance my programming career through meaningful contributions

## TECHNICAL SKILLS

- HTML
- CSS
- Tailwind
- JavaScript
- REACT.JS

## SOFT SKILL

- Teamwork
- Time Management
- Communication
- Creativity

## PERSONAL EXPERIENCE

---

### NOT-NETFLIX

Personal project

<http://pain-netflix.netlify.app>

- Combined HTML and CSS to develop a pixel-perfect user interface that produced a responsive website that could be viewed on any device.
- I used JavaScript in making the website fully functional and interactive.
- Looked up the best technologies on Google.
- Fixing bugs and other technical issues increased the website's speed and efficiency by 15%.

## **Portfolio Website**

Personal Project

<https://painxcode.netlify.app>

- Used HTML and CSS in creating a well-structured and designed website.
- The creation of the website increased the numbers of potential clients.
- A fully optimized webpage consumes less data and produces more information.

## **Anime Quote Generator**

Personal Project

<https://anime-quote-generator-five.vercel.app/>

- Created a well-structured and designed website using HTML and CSS..
- JavaScript was used to Fetch the API and use it.
- The creation of the website increased the numbers of potential clients.
- A fully optimized webpage consumes less data and produces more information.

## **Blog**

Personal Project

<https://blo-three.vercel.app/>

- Using REACT.JS and CSS I Produced a well-structured and designed website.
- The use of Google Firebase was implemented to serve as a storage for data.
- Created a custom hook to help in optimization, data consumption has been greatly reduced
- Web Page responsiveness was given maximum effort making it viewable on any device.

## **EDUCATION CERTIFICATION**

---

### **BSc, Computer Science**

Kwara State University.
